Roles & Responsibility :

As a Product Management Intern, you will conduct user research, analyze product metrics, define clear problem statements, and assist in creating structured PRDs and user stories. You'll work closely with design and engineering teams to execute features, run small experiments to improve user experience, and track performance through key metrics like activation and retention. You will also contribute to competitor research and be expected to take ownership of a specific product area, focusing on delivering measurable impact rather than just supporting tasks.

About the Location

Jhansi is a calm and clean city. Jhansi is one the top 3 cleanest cities in Uttar Pradesh which makes it pleasant to stay and the pollution free healthy living beats unhealthy living in metros any day. Jhansi is well connected via train routes with almost every train passing the area stopping at the Jhansi Railway Station.

The nearest airport is located just 100 kilometers away in Gwalior, offering direct flights to all major metros and several other key cities. This distance is comparatively shorter than the commute from Bangalore city to its airport.

Jhansi vs Metros

Monthly Expenses	Jhansi	Metro Cities
Stay	₹ 5,000	₹ 20,000
Food	₹ 5,000	₹ 15,000
Travel	₹ 2,000	₹ 12,000
Weekend Leisure	₹ 3,000	₹ 8,000
Net Expenses	₹ 15,000	₹ 55,000
Living in Jhansi would cost ₹40,000 less every month when compared to a metro city.
